Welcome

**From Deborah Walker,
President, Blue Roo Theatre**

"Blue Roo performers use their curiosity and imagination to develop performance, teamwork, and social skills.

By combining their unique talents, they create powerful and heart warming public performances. Bringing the magic of live theatre to life, they inspire audiences in Queensland's theatres, public spaces, schools, and regional communities."

Synopsis

Fatal Orbit launches the Blue Roo Ensemble into a fast paced, funny, interactive and delightfully chaotic murder mystery, where the stakes are high, the suspects are shifty, and the detective work is... questionable.

As clues drift, alliances shift, and logic occasionally flies out the airlock, the audience is invited to join the investigation.

Will they live to tell the tale? Who is the murderer? Fasten your Sherlock Holmes' hats and join us to find out!

An interactive Q&A with the cast and crew follows each performance, a treat not to be missed!

Acknowledgment of Country

Blue Roo Theatre Company acknowledges the traditional owners of the land where we work and pay our respects to Elders past and present. We recognise their connection to Country and role in caring for and maintaining Country over thousands of years.

From the Directors Clint Bolster & Maureen Bowra

Fatal Orbit has reminded us why theatre matters: people united, creative risks, mutual support, and ensemble magic.

This process has been filled with laughter, curiosity and collaboration. Together we have created whimsical characters, explored new accents, debated "space politics" and shared weekly wins and challenges. There has also been the occasional escape from the much-feared spatula of doom :)

More than anything, this production reflects the generosity, bravery and imagination of our performers, whose diverse backgrounds and collaborative spirit have fused to create an ensemble; each person contributing their own spark to this wonderfully strange murder mystery in space.

We are incredibly proud of what this ensemble has achieved and deeply grateful for the kindness, humour and trust shared throughout the process.

Welcome to Fatal Orbit. Settle in, let your imagination soar, and enjoy this unforgettable ride.

Congratulations to our mentees, Oliwia (Creative Assistant) and Brigid (Production Assistant) for their wonderful work supporting this production and our thanks to their mentors Maureen and Dale.

Although Caleb is unable to join us for these performances, we acknowledge his creative efforts throughout rehearsals. A big thank you to Maureen for stepping in. A true champion of "the show must go on".
